**PLAINTIFF'S MOTION FOR ADMINISTRATIVE RELEIF FOR LEAVE TO CONTINUE  
INITIAL CASE MANAGEMENT CONFERENCE**

Plaintiff AF Holdings LLC, by and through its undersigned counsel, and pursuant to Northern District of California Local Rule (hereinafter "L.R.") 7-11, hereby moves this Court for administrative relief for an order continuing the initial case management conference for good cause. Per the Court's Order Setting Case Management Conference, the Case Management Conference (hereinafter "ICMC") is scheduled for Thursday September 27, 2012. (ECF No. 10.) John Doe is an individual associated with the Internet Protocol ("IP") address 99.108.164.117 (ECF No. 1 ¶ 4), and as explained in Plaintiff's Case Management Conference Statement, Plaintiff has not yet obtained the requested information from the ISP, AT&T Internet Services ("AT&T"). (See ECF No. 11.) Currently, Plaintiff is waiting for AT&T to produce the requested information in order to proceed to name and serve a defendant to this case.

At this juncture, Plaintiff believes that, in light of the above, a case status conference is unnecessary as there is nothing substantive to report at this time outside of the matters discussed

1 herein. As Plaintiff currently does not have any information to identify and name John Doe, Plaintiff  
2 is the only party to the case. Without the participation of all the parties, such a hearing would be a  
3 waste of the Court's time and resources.

4 For these reasons, Plaintiff respectfully requests that this Court continue the CMC to  
5 Thursday, November 29, 2012, at 2:00 p.m. or to a later date that is in accordance with this Court's  
6 schedule.
